NOTES TO COMPETITORS

RIDER SAFETY

There were several complaints about dangerous riding at the first turn (turning off the A1303 onto the minor road, near Bottisham). Several riders crossed the white line onto the wrong side of the road – with some riders doing this into the path of oncoming vehicles. Fortunately, there were no accidents. Riding like this not only jeopardises rider safety but also endangers the sport – we can only conduct these events on open roads with the support of the police and public.

In the interests of safety, in the future we will station a designated observer at this junction to record and penalise all infringements.
